

Directions for the sight word game with Nana Hedgehog, Red Apple Tree, and Blue Eye Guy.

What you need...

2 or more players

game board (optional laminated for durability.)

1 dice

game pieces (colorful cereal, colorful candy, borrow pieces from another game, etc.)

How to Play...

-Roll dice and move game piece that many spots.

The child can read the word on each spot as they move or they can simply count the spaces and read the one in which they land on only.

-Player to make it to Nana, Red, and Blue first wins the game.

In order to win the player must get the exact number to land on the finish space.

If they do not get the exact number on their roll then they must read all three words correctly on the finish space in order to win the game.
